CIRCULAR

TSUSP/WS/023/2018-19

Date:15.12. 2018

Dear Parent,

Measles and Rubella (MR) are highly contagious viral diseases that are spread by contact with an infected person through coughing and sneezing. Rubella is a mild viral infection affecting children as well as adults. It weakens the immune system of the body.

The Government of India has set a goal to eliminate Measles and control Rubella by the year 2020. As part of this initiative, it is implementing wide age group (9 months to 15 years age) one dose Measles Rubella Vaccination campaign across all states in the country in a phased manner. It is provided free of cost through its immunization programme.

As per the Government guidelines, the immunization through schools is an essential part of the campaign. Hence, the schools are accountable to the Education Department and to the Nation for ensuring the success of the campaign and for ensuring a healthier future for the children by making India Measles and Rubella free.

The campaign will be conducted as per the schedule sent by the local Health/Education Department. It will be conducted in the school on **Wednesday, 19th December 2018**, during school hours.
